If you want to clean graffiti on your property or in your neighbourhood, please request your free kit at www.cacpc.ca.

WHAT IF MY PROPERTY HAS BEEN TAGGED?

Record - include a picture with the reporting form at www.cacpc.ca. This info is kept in a graffiti database that RCMP can access.

Report graffiti on your property to the RCMP 403-406-2200. Use the online Report A Problem link at www.reddeer.ca/reportaproblem/ for graffiti on city property. Let your neighbours know if you see graffiti on their property.

Remove graffiti within 24 hours to decrease the probability of it re-occurring. The CACPC sells the "World's Best Graffiti Removal Products" Call 403-986-9904.

Graffiti can be costly as property owners are responsible for its removal, may receive a Notice, and could receive a fine of \$250 if it is not removed.

When offenders are caught, they may face Community Standards bylaw fines of \$2,500 to \$7,500.

Tips to deter graffiti: increase lighting, use motion lighting, consider surveillance equipment, use defensive plant material, and look out for your neighbours.

This CACPC initiative is made possible thanks to a City of Red Deer Community Safety and Wellness Grant
